

COMMERCIAL VEHICLE ENFORCEMENT JOB FAMILY

CAREER PATH

Commercial Vehicle Officer (CVO) Chief (Level 2)

This is a senior-level commercial vehicle enforcement (CVE) position accountable for the overall activities of commercial vehicle enforcement personnel in a designated troop (typically 6-15 employees). The CVO Chief compiles and maintains records of the weigh stations and portable scale units, coordinates and verifies calibration of equipment, and directly and/or indirectly supervises the CVE personnel assigned to a troop. The CVO Chief also serves as a liaison between the troop staff, the general public, representatives of other government agencies, and General Headquarters staff. Employee supervision includes hire recommendations, training, planning and assigning work, performance assessment, coaching, and progressive discipline. Supervision at this level also requires these employees to have the knowledge and skills to perform and review the work overseen. The employee is required to carry department-authorized firearms and may use assigned firearms and other weapons in performance of their CVE responsibilities. The employee must be able to accommodate shift work and working outdoors in extreme weather conditions. General supervision and direction is received from a designated supervisor; however, considerable independent judgment, decision-making, and discretion are required from the employee.

Knowledge, Skills, and Abilities

In addition to those identified in the previous levels within this career path:

Comprehensive knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of all assigned areas of commercial vehicle enforcement, as well as the laws, principles, and practices as they are related to implementation within the agency.

Comprehensive knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of the agency's policies, procedures, rules, and regulations in the performance of duties.

Comprehensive knowledge of and the ability to demonstrate successful operation and use of designated commercial vehicle enforcement equipment, parts, tools, supplies, and associated software systems in the performance of duties.

Comprehensive knowledge of hazardous/radioactive materials as they pertain to CVE, and exercise the proper safety procedures in dealing with same.
