

## DATA MANAGEMENT JOB FAMILY

### CAREER PATH

#### **Data Technician**

This is an entry-level data management position typically involved in assisting with design and maintenance of a database or providing data integrations. This position assists in the design, testing, and modification of data management applications and controls. Employees also respond to ad hoc report requests that are routine in nature and may execute patch management of databases. At this level, an employee will be responsible for completing singular, low risk, and low impact tasks such as executing low-level table management, conducting low-level and routine monitoring of data by users, and running data analytics tools.

#### **Knowledge, Skills, and Abilities**

Working knowledge of and the ability to demonstrate successful use of programming languages, computer equipment, and associated software/databases in the performance of duties.

Knowledge of and the ability to demonstrate understanding of all assigned areas of data management, as well as the laws, principles, and practices as they are related to implementation within the agency.

Knowledge of and the ability to demonstrate understanding of the agency's policies, procedures, rules, and regulations in the performance of duties.

Possess and demonstrate successful communication skills in English via all modes of communication.

Possess and demonstrate successful management and prioritization of work within predetermined deadlines and stressful/adverse situations.

Possess and demonstrate the ability to successfully work as a team member and positively interact with a variety of people, as well as work hours as assigned.

Ability to demonstrate successful performance in the research, gathering, correlating, and analyzing of facts to develop reports, charts, recommendations, and/or solutions in the performance of duties.

Ability to demonstrate successful performance and adherence to the rules of conduct for Patrol employees in accordance with General Order 26-02, as well as all other applicable agency policy and procedures.

## DATA MANAGEMENT JOB FAMILY
