

ACCOUNTING JOB FAMILY

CAREER PATH

Division Assistant Director (Accountant Manager)

This is a managerial position responsible for directing and managing finance and accounting functions for a large, complex agency. Employees are accountable for formulating fiscal policies and operating procedures to concur with laws, rules, and regulations as well as Government Accounting Standards Board (GASB). At this level, employees administer programs and/or prepare agency budget in cooperation with agency executive team. Employees at this level receive and resolve questions and problems presented by business partners, federal government agencies, local governments, state agencies, executive staff, and other employees.

Responsibilities also include supporting the Division Director in making executive level decisions, strategic planning, and working on project teams both within designated program areas and other accounting program areas toward the end of enhancing statewide programs. Supervises both professional and lower-level positions.

Knowledge, Skills, and Abilities

In addition to those identified in the previous levels within this career path:

Thorough and comprehensive knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of all areas of accounting, as well as the laws, principles, and practices as they are related to implementation within the agency.

Thorough and comprehensive knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of the agency's policies, procedures, rules, and regulations in the performance of duties.

Thorough and comprehensive knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of the principles and practices of supervisory and management techniques in the performance of duties.

Comprehensive working knowledge of and the ability to demonstrate successful use of computer equipment and associated software/databases in the performance of duties.

Possess comprehensive communication skills in English and demonstrate successful implementation via all modes of communication.

Possess comprehensive skills and successful implementation of management and prioritization of work within predetermined deadlines and stressful/adverse situations.
